RareFind Bug Report Form

If you're experiencing a problem with RareFind 3 or one of the GIS components, please fill out and submit the following bug report form.

If your "bug" is really more of an enhancement or improvement, please use our

When you submit your bug report, a member of our support department will review the report; the resolution of the problem will be assigned to a qualified CNDDB staff member.

Please be as specific as possible when describing the problem.

What version of RareFind are you using?

What operating system are you using?

Please enter a brief description of the problem:

If the problem is reproducible, please list the steps required to cause it:

If the problem is not reproducible (only happened once, or occasionally for no apparent reason), please describe the circumstances in which it occurred and the symptoms observed:

If the problem causes any error messages to appear, please write down the exact text displayed and enter it here:

Please provide us with the following information in case we need to contact you:

Name: Phone:

Organization/Company: Email:

Click   or   and fax to: (916) 324-0475
